Activation Instructions XM Radio

2.0 XMR Activation Instructions

2.1 Radio Set Up

The XM Radio system must remain powered and the aircraft positioned to receive a satellite signal. Direct line of site with the satellite is required, which usually cannot be accomplished in a hangar. Activation/authorization of the system could take from 1 hour to 24 hours. (This time is dependent on the number of activations/authorizations occurring on the same day.)

2.2 XM Satellite Radio's Listen Care Center

Please contact XM Satellite Radio's Listener Care Center at 1-800-985-9200 for activation/subscription of the XM Radio system. You will speak to an XM Satellite Radio representative.

2.2.1 Personal Information to Have Available

The following personal information will be required when activating the XM Radio system.

- Name
- Address
- Phone Number
- Credit Card Information.

2.2.2 XM Radio Information to Have Available

The following information about your Heads Up Technologies audio receiver will be required when activating the XM Radio system.

| <u>Heads Up Part #</u> | <u>Heads Up S/N</u> | <u>Receiver ID's</u> |
|------------------------|---------------------|----------------------|
| XMRXXX-XX | see unit label | see unit label |

2.3 Assistance

Should you encounter any problems, please contact Heads Up Technologies at service@heads-up.com, or at (972) 980-4890 Ext. 142.
